

# SEA TURTLE PATROL HILTON HEAD ISLAND COMMUNITY GIVE-BACK OPPORTUNITY

Offered May–October

## Put the Beach to Bed

From May through October, corporate teams can advance their CSR and sustainability goals through a hands-on volunteer experience with [Sea Turtle Patrol Hilton Head Island](#).

Teams begin by sweeping the beach, filling in holes and removing debris, to create a safe pathway for nesting sea turtles & hatchlings that emerge at night.

Collected debris is then weighed and sorted, allowing teams to measure and report their environmental impact. The experience concludes with a 30-minute sea turtle conservation talk, connecting your team's efforts to broader coastal protection initiatives.

Duration: 1 Hour

All supplies are provided

## Who We Are

Sea Turtle Patrol Hilton Head Island is a volunteer led, tax-deductible 501(c)3 dedicated to protecting endangered sea turtles through beach monitoring, nest support, and public education on Hilton Head Island.

## Support the Effort

A \$1,000 donation helps fund a team's participation in our Put the Beach to Bed program. Your contribution directly supports beach conservation, volunteer programs, and education for the next generation of sea turtles.

## Donate

Check - Payable to:

Sea Turtle Patrol HHI

PO Box 23434

Hilton Head Island, SC 29925
